CGAP conducted agricultural : .(CGAP) Douglas Pearce :

microfinance research in 2002-2003, supported by IFAD. Where to go for more information? See GTZ and FAO's Agricultural Finance Revisited series at www.gtz.de/themen/economic-development/english/financial-systems/services/fs-agric-finance-revisited.htm. Forthcoming from CGAP are an Occasional Paper on rural finance, rural finance case studies, and four World Bank-CGAP Operational Notes. Of the papers on the USAID/WOCCU Rural Finance Conference website (www.basis.wisc.edu/rfc/agenda.html), see specifically E. Bryla, et al, Innovative Approaches for Improving Access to Agricultural Lending: The Use of Price and Weather Risk Management Instruments; D. Pearce, Buyer and Supplier Credit to Farmers: Do Donors Have a Role to Play?; and H. Fleisig and N. de la Pe?a, Legal and Regulatory Requirements for Effective Rural Financial Markets
